

Thank you for your loyalty to Solution Carpet Cleaning and Restoration, Inc. over the last 38 years!

It has been a wonderful privilege to take care of your cleaning needs and to get to know each one of you. I have made the decision this year to sell my business and focus on my passion, which is woodworking. While I will miss cleaning carpets and seeing you, I'm ready to shift my gears to woodworking and spending time with my family.

In determining who to sell my business, I sought out another locally owned company whose work and management I have a lot of respect for.. Sno-King Carpet & Upholstery Cleaning and its owner Kyle Wood have been in business for 11 years and he is someone that I trust and whose work I admire. I strongly encourage you to reach out to him for all of your cleaning needs at 206-801-0161, [kyle@snokingcarpets.com](mailto:kyle@snokingcarpets.com), or see their site at [www.snokingcarpets.com](http://www.snokingcarpets.com).

Effective October 5th, Kyle and his team have taken over the business and are committed to providing you the care you deserve with your carpets, area rugs, hardwood floors, upholstery, and tile.

Thank you again for your support over the years!

Sincerely yours,

Scott and Becky Servey
